Information letter

On **September 26, 2025**, the institution "Esil University" will hold the International Scientific and Practical Conference: **"Seitkassimov Readings – 2025"**, dedicated to the memory of Academician of the National Academy of Sciences of the Republic of Kazakhstan, Doctor of Economic Sciences, Professor Gabdygapar Sagitovich Seitkassimov.

Seitkasimov Readings is a traditional scientific and practical event aimed at discussing topical issues in the field of economics, law, management and other social and humanitarian sciences. This year we are glad to welcome participants from different regions of Kazakhstan and foreign countries to exchange experience and knowledge within the framework of the forum.

The main thematic areas of the conference cover a wide range of topical issues and problems of modern society. Within the framework of the readings the following directions will be discussed:

1. *Sustainable Development and Innovative Economy: European and Kazakhstani Experience*
2. *Modern Managerial Solutions for the Public and Private Sectors of the Economy*
3. *Kazakhstan's Financial and Banking Sector: New Challenges and Opportunities*
4. *Innovations in Accounting and Auditing: Modern Technologies as a Path to Efficiency*
5. *Information Technologies and Mathematical Methods in Economics and Management*
6. *Issues and Prospects for the Development of Legal Disciplines*
7. *Trends in the Development of Tourism and Hospitality in the Republic of Kazakhstan*
8. *Current Issues in Social Work in the Republic of Kazakhstan*
9. *Topical Issues in Social and Humanitarian Education*
