CERTIFICATE OF RESEARCH INTERNSHIP AND ACADEMIC EXCELLENCE

This is to certify that **Assiya Turekulova**, representing the Esil University of the Republic of Kazakhstan, has successfully completed a **Scientific Research Internship Program** at **Universitas Muhammadiyah Sidoarjo (UMSIDA), Indonesia**, from **November 7 – December 8, 2025**, respectively.

Within the framework of this internship, the participant has completed two certified academic courses, each comprising **72 academic hours**, namely:

- **"Digital Transformation and Sustainable Business Models"**
- **"Policy and Strategic Management for a Green Economy"**

The internship program was designed to enhance research competencies, promote academic mobility, and strengthen international cooperation between Kazakhstan and Indonesia. Participants were provided access to lectures, seminars, and fieldwork activities focused on management, economics, and sustainable development, integrating digital innovation and environmental responsibility.

This certificate acknowledges the participant's active engagement, high academic performance, and contribution to advancing scientific collaboration between our universities.

Issued in Sidoarjo, Indonesia
Date: December 2025
